**TOGETHER AGAINST CANCER ASSOCIATION MALAYSIA (TAC)**

TOGETHER AGAINST CANCER ASSOCIATION MALAYSIA (TAC) or PERSATUAN ADVOKASI KESIHATAN KANSER MALAYSIA was founded through the joint efforts of patients, survivors (of life threatening diseases), carers and concerned professionals and was officially registered with ROS (PPM-019-10-13082015) on the 13th August 2015.

TAC aims to be a strategic supporter and partner to the Malaysian Government particularly the Ministry of Health in creating awareness on the needs and welfare of cancer patients across the country. TAC is motivated to provide a unified voice for all patients, to improve access to high quality healthcare in Malaysia through health policy and legislative reforms

TAC is established to

1. Foster the development of cancer advocacy as a crucial tool for positive change in cancer healthcare in Malaysia
2. Take concerted action as a civil society group in matters affecting our health system, and to make representations to the Government, regulators, payers and other relevant authorities on the effect of cancer health policy that government and other policy makers may introduce from time to time
3. Strengthen the capacity for scientifically sound and ethically proper cancer health advocacy
4. Further the development of training and continuing education for cancer health advocates and other interested health NGOs.
5. Promote a closer relationship and an improved understanding among cancer health advocates and health NGOs.
6. Drive the introduction of new best practices and technologies in cancer healthcare and improve cancer patient access to these healthcare through health policy reforms.
7. Take any lawful action incidental or conducive to the attainment of the objective of the Association

The activities of the Association shall include:

1. Develop positions on specific cancer health issues that TAC will advocate
2. Undertake research and collect information relating to the specific cancer health issues to substantiate the evidence base of TAC's position.
3. Disseminate information on TAC's positions and actions through mass media, public forum, awareness campaign, report publication, peer-to-peer communication, electronic newsletter and other web resources.
4. Engage and conduct dialogue session with policy makers and relevant government agency with responsibility for particular cancer health policy matter.
5. Support and conduct training programs on cancer health advocacy
